# AND YOURS?

For more than ten years, French interior designer Nathalie Ryan has carried the spirit of Christian Dior with her around the world. Her passion for vintage cars, coupled to her unequalled knowledge of leather goods and the intricacies of Haute Couture contribute to her uniquely refined approach to 'tailor-made.'

With SEAir, Nathalie has introduced a fresh take on the world of sailing, bringing with her a sharp eye for detail, as well as an outsider's viewpoint and a willingness to depart from and to transform convention.

Flying boats blended with luxury, creating an exhilarating experience for the adventurous traveller!
